Re: Integrity Building Systems, LLC  
1165 W. Detroit Blvd.  
Pensacola, FL 32534

*Integrity Building Systems, LLC, dba SuperStruct Building Systems of Pensacola is an Approved Fabricator of Prefabricated Wall Panels under Section 17 of the Latest Revision of the International Building Code, “IBC”.*

*Integrity Building Systems, LLC is accredited by the International Accreditation Service, Inc., “IAS”, as Approved Fabricator “FA-448”. The accreditation by the IAS approves the Fabrication Process for the Wall Panel under the acceptance criteria AC-196 for Wall Panels.*

*The “End Use” of the Approved Wall Panel is determined by the Engineering for the Wall Panel.*

*Quality Systems Management, Inc. audits the Wall Panel Fabrication Facility in accordance with the submitted Quality Manual for the Fabricator. The International Accreditation Service, Inc., subsidiary of the International Code Council, monitors and audits with the Accredited Inspection Agency, Integrity Building Systems, for continued compliance under Section 17 of the Building Code.*

*The approved fabricator status of Integrity Building Systems, LLC, dba SuperStruct Building Systems of Pensacola may be viewed on the “IAS web site at: Iasonline.org under the Fabricator Inspection Program.*

***As of the date of this notice, Integrity Building Systems, LLC, is the only Approved Fabricator listed by the ICC/IAS for Wall Panels under the “IAS” Fabricator Inspection Program.***

*Respectfully Submitted,*

*Keith H. Anderson, Principal  
National Inspection Association, Inc.  
Quality Systems Management, Inc.*
